BOOK SYNOPSIS

This indispensable new book covers all Alfa Romeo production cars, from 1910 to 1986. Technical and descriptive detail is given for each car, as well as information about the way each model evolved through its lifetime. Within an easy-to-use format, the book offers answers to the most frequently asked questions about Alfa Romeos, and is therefore of great value to potential buyers, collectors and enthusiasts. The photos, which are of the period and therefore completely reliable, provide a further means of comparison to help identification.
